EXPERIENCE

2017 – Present

FREELANCE (Remote/Local)

Sound Design / Audio / Music

Since 2017 I've been freelancing full-time from my home studio with teams and individuals on more than 1000 podcast episodes and some countless amount of film, music, video, TV, radio, and web projects.

2015

VERGE MUSIC LAB (Toronto)

Studio Assistant

While attending school I assisted the Lead Engineer with productions in studio and on location for clients such as SiriusXM and Massey Hall.

Oct 2012 - Nov 2014

THE CONFIDENCE LODGE (NS)

Studio Assistant

Working under the Lead Engineer I assisted with productions, post-production, and live in-studio concerts. I began leading my own projects by the end of my tenure.
